ABOUT COMPANY

Raabta Software Solutions is one of the leading IT Outsourcing company, providing professional service and software development headquartered in Bengaluru, India. Consistently delivering delivering technically challenging projects under tight timelines.

As a privately owned company, Raabta Software Solutions provides IT Consultancy, software design and development which in turn has led to extremely positive long-term working relationships all over.

All our projects are ensured that they are completed on-time, in-budget, and to the clients complete satisfaction.

CEO'S MESSAGE

Running a technology company is not just about creating business; it's about building a socially-committed team for creating useful solutions to enhance the wellness of humanity.

Our corporate culture is defined by a simple set of corporate values that define how we operate every single day, they are Value Creation, Cooperation, Innovation, Perseverance, Diversity, and Integrity. They reflect how we interact with our clients, our colleagues, and our communities. We hold each other accountable for creating a company we can all be proud to work at.

We believe that we are well poised to achieve our vision with our financially stable platform and dynamic and experienced team. We aim to continue providing convenient, smart, and technology-driven solutions and products for the upcoming generations as “We Make IT Possible”.

AASIM SHARIEF
C.E.O, RAABTA GROUP

SERVICES

COMPANY SERVICES

Raabta Softech delivers quality and timely solutions and services in a very efficient manner that make our clients satisfied. Raabta focuses on offshore development at our excellence centre in Bengaluru, India. This allows us to scale up rapidly (leveraging on the plentiful supply of talent and thus cutting down on execution time) at costs that are on an average 70% cheaper.

An in-depth knowledge of various technology areas enables us to provide end-to-end solutions and services. With our 'Web of Participation', we maximize the benefits of our depth, diversity and delivery capability, ensuring adaptability to client needs, and thus bringing out the most innovative solutions in every business and technology domain.

Raabta is your one stop partner where you can outsource all your support services with complete peace of mind about quality and reliability. Raabta Software Solution's strength lies in understanding the client's business processes, culture, vision and goals across the industry segments and offering client oriented solutions which are highly reliable, creating client's satisfaction.

IT SERVICES

IT has high potential in terms of employment and revenue generation. The IT manufacturing sector is growing at an average rate of 28-30% annually over the past decade.

Software industry continues to contribute a major portion of Indian IT industry's revenues. With the dedicated and adroit employees at Raabta, it has been adept in assisting the growth of the nation in the field of Information Technology.

Raabta with its vision of quality and innovation has been successful in catering the needs of those who seek our assistance in following areas of IT enabled services:

- Software Solutions
- Web Solutions
- Mobile App Development Solutions
- Networking Solutions
- Quality Assurance & Testing
- Application Maintenance & Support
